

Individual Status Report #4 – Milan Thakkar

1. Goals from last week

- Help finish the homepage and create events pages of website
- Help team describe features and their scenarios for testing some of our user stories

2. Progress made this week

- Finalized Lo-Fi diagrams
- Revised Register for an account behavior to add support for encrypted passwords and user sessions

3. Goals for this week

- Begin work on user stories - RSVP to an event and the homepage
- Write unit tests to test finished parts of website
